At Breastfeeding Conferences we are all about supporting the people who support breastfeeding mothers, offering a wide range of educational opportunities for health professionals.

Director of Breastfeeding Conferences, Barb Glare is an International Board Certified Lactation Consultant with more than 15 years experience as an IBCLC working in a large rural hospital. She is in touch with the issues that face health professionals working with breastfeeding mums.

Breastfeeding Conferences aims to offer quality educational programs in a variety of formats including online and face to face, because networking and sharing ideas are an important feature of our seminars.

Laurel Wilson, IBCLC, CLE, CCCE, CLD is an author, international speaker and pregnancy and lactation expert. She served as the Executive Director of Lactation Programs for CAPP, the Childbirth and Postpartum Professional Association for 16 years and now is on the Senior Advisor Board. She is on the Board of Directors for the United States Breastfeeding Committee and also on the Advisory Board for InJoy Birth and Parenting. She owns MotherJourney, focusing on training perinatal professionals on integrative and holistic information regarding pregnancy, childbirth, and breastfeeding. She has her degree in Maternal Child Health: Lactation Consulting and is an internationally board certified lactation consultant. Wilson is the co-author of two books, *The Attachment Pregnancy* and *The Greatest Pregnancy Ever* and contributing author to *Round the Circle: Doula's Talk About Themselves*. She loves to blend today's recent scientific findings with the mind/body/spirit wisdom.
